1st Annual Conference of AOS 19th and 20th May 2018

Moti Lal Nehru Medical College Campus, Allahabad

Courtesy:- Optho Remedies (P) Ltd.

Dear Colleagues and Friends.

With utmost pleasure, AOS invites you to the holy city of Prayag - the Allahabad to attend the 4th Mid term conference of Strabismus and Paediatric Ophthalmological Society of India SPOSI on Saturday, the 19th of May 2018 and 1st Annual Conference of Allahabad Ophthalmological Society on Saturday and Sunday the 19th and 20th of May 2018 at Moti Lal Nehru Medical College Allahabad, U.P.

As you all know that clinical and academic updates are the only parameter for excellence in medical profession, which undoubtedly may also be achieved by continuing medical education. Strabismus and its consequences are responsible for functional visual disturbances, especially in earlier age group and obviously a child has to travel a long path in life.

Various stalwarts of National and International repute are delivering their experiences along with exhaustive discussions.

We have also arranged various sight seeing and a holy dip at 'Sangam'- the confluence of sacred Ganga, Yamuna and invisible Saraswati.

Together, let us make this a memorable event.
