

**Midterm Conference of
Strabismus & Pediatric Ophthalmology
Society of India (SPOSI)**

In association with

**Institute of Ophthalmology,
Little Flower Hospital & Research Centre,
Angamaly, Cochin, Kerala
&
Cochin Ophthalmic Club**

Date : 21st of May, 2017

Venue : **Saj Earth Resorts**
Near Cochin International
Airport

Under the aegis of Kerala Society of Ophthalmic Surgeons

Dear friends,

Welcome to Cochin!

We are proud to invite you to the 'City of Light' Angamaly, Cochin, for the midterm conference of Strabismus and Pediatric Ophthalmology Society of India, conducted in association with Institute of Ophthalmology, Little Flower Hospital and Research Center, Angamaly, Kerala.

We have arranged a sumptuous spread of Pediatric Ophthalmology and Strabismus academics, with stalwarts from all over the country sharing their expertise on practical aspects.

The sessions are planned so as to benefit the general ophthalmologists, specialists as well as students. Focus would be on the practical management of common pediatric problems and there will be sessions devoted to preferred practice patterns in the sub speciality. Interesting case presentations and interactions with eminent faculty will add spice to the event.

We also welcome you to enjoy the mesmerizing Cochin, with its lush greenery, forest trails, pristine beaches and serene backwaters. We have arranged a free pre- conference sightseeing tour, which includes a boat ride through the backwaters and a visit to Cherai beach on 20th Saturday afternoon.

Together, let us make this a memorable event.

Rev. Fr. Sebastian Kalapurackal
Director, L. F. Hospital

Dr. Elizabeth Joseph
Chairperson

Rev. Fr. Reju Kannampuzha
Assistant Director

Dr. Meena C.K
Dr. Meenakshy Dhar
&
Dr. Sanitha Sathyan
Secretaries

PROGRAMME SCHEDULE

8.00 - 8.30 am	: Registration
8.30 - 9.00 am	: Inauguration Ceremony
9.30 - 1.30 pm	: Scientific Session
1.30 - 2.15 pm	: Lunch
2.15 - 4.00 pm	: Post Graduate Interactive Session

SCIENTIFIC PROGRAMME

There will be lectures and interactive sessions on various aspects of pediatric ophthalmology including current concepts in the management of strabismus, congenital cataract, congenital glaucoma, retinopathy of prematurity, orbital tumours etc. It is a golden opportunity for the delegates to meet and interact with the stalwarts in the field. Post graduate students are given an opportunity to present cases in the afternoon session.
