Secretary, SPOSI

Dr. (Prof.) A.K. Khurana  
President Elect, SPOSI

Dr. (Prof.) Kamlesh  
Chairman LOC

# Invitation

Dear Colleagues,

On behalf of the organizing committee, it is our pleasure to invite you to our Joint SPOSI-DOS congress to be held on December 9th and 10th, 2017.

This year the theme of conference is international perspectives in Strabismus and Pediatric Ophthalmology. The scientific session promises a weighted amalgam of innovative research and time honoured traditional protocols with an aim to make it more relevant to your ophthalmic practice.

With special international symposia by AAPOS, ISA, ESA, IOA, APSPOS, IPOSC, the conference provides an unparalleled avenue for continuing medical education and updates on newer diagnostic and therapeutic modalities, in all facets of current ophthalmology practice. It is also a unique opportunity to interact with the glitterati from the world of Strabismus and Paediatric Ophthalmology, for roundtable discussions and hands-on teaching sessions, which will decide the direction and flow of technology for the nation, and indeed the world, in the next decade for prevention of childhood blindness.

The Delhi Ophthalmic Society, with over 8700 members and SPOSI with over 850 members across India are committed to furthering the cause of continuing medical education, and promoting camaraderie and fellowship amongst ophthalmologists worldwide. The DOS conference is a much awaited, time-honoured academic fiesta, which attracts faculty, trade exhibitors and delegates from all over the world.

As you will venture out of the confines of the state of the art conference hall and the world of ophthalmology, the vibrant Delhi winters, along with its legendary hospitality and bustling energy will enthrall you. As always, in addition to the scientific sessions, we have the physical poster sessions, the competitive session in Ophthalmic Photography, video presentations as well as the live surgery sessions from the operating rooms of leading ophthalmic institutions of Delhi. After the academic extravaganza, will be the captivating cultural program and fellowship dinner, true to DOS traditions.

We would be delighted to have you present at this conference, and to hear what the experts, gurus and researchers have to share about technology advancements and their impact on Ophthalmology. We would also love to hear your thoughts and opinions to this direction.

We look forward to your esteemed presence at the Joint Strabi-DOS International Academic feast.

Respectfully Yours,

Dr. (Prof.) Subhash C. Dadeya  
President, SPOSI

Dr. (Prof.) Yogesh Shukla  
Secretary, SPOSI

Dr. (Prof.) A.K. Khurana  
President Elect, SPOSI

Dr. (Prof.) Kamlesh  
Chairman LOC
