Invitation

Dear Friends

It gives us immense pleasure to inform that Strabismus & Pediatric Ophthalmological Society of India (SPOSI) in association with Post Graduate Department of Ophthalmology SKIMS Medical College Bemina Srinagar is organizing SPOSI Mid Term Conference on Saturday the 4th June, 2016 at Srinagar. The event will be held at SKICC Boulevard Road Srinagar.

A complimentary tour of famous Mughal Gardens & Srinagar City for delegates / co-delegates and associates is being organized on Sunday the 5th of June, 2016.

Scientific Program would cover most of the fields of pediatric Ophthalmology like pediatric cataract, Glaucoma, Strabismus and other sub speciality areas etc.

Group discussions, lectures by eminent professionals in the specialized fields, Q & A sessions will be emphasized to make the conference more interactive & fruitful.

Kashmir a paradise on earth an alpine "Switzerland" for the Moghuls is a place of combination of heritage and culture. Srinagar City, the summer capital of Jammu & Kashmir on the banks of Jhelum River, with many bridges and waterways reminiscent of Venice, and an adjacent Dal Lake of moored houseboats and gondola-like shikaras, provide a lyric spring and summer interlude...

World famous resorts of Gulmarg, Pahalgam, Sonmarg, Yousmarg, Mughal Gardens of Srinagar, Hazratbal Shrine are easily approachable.

We cordially invite you to attend the conference & enjoy the hospitality of Kashmir.
