

## SPOSI ANNUAL CONFERENCE

DECEMBER, 2020. JODHPUR (RAJASTHAN)

Dear colleagues,

Dt.25-6-2020.

We are all going thru unprecedented times of corona apocalypse. Even in these difficult times, we could manage to hold a very successful midterm SPOSI webinar from Amritsar. A great achievement for all of us.

Now ,the annual SPOSI conference is due in December,2020. It will be held in the sun –city of India, Jodhpur, and organized by Jodhpur ophthalmology society with Dr gulam Ali as the organizing secretary.

But due to certain regulations on Hotels, the LOC is not able to get booking confirmations. Anyway, I am in constant touch with the LOC and a final call for dates will be taken in july.

Newertheless, as per our constitution regulations ,I am giving you the relevant information . The conference venue, dates and other details will be subsequently sent to you by post also, as soon as decided.

I would like to share the salient features of this conference.

- 1- We will be having elections for full executive this year. This includes vice-president, secretary, jt. Secretary, treasurer, editor-journal, and five executive members. As per the constitution, one seat is reserved from each of five zones. But any number of persons can apply from each zone.

**Please go thru the eligibility criteria,which is on the website, before applying for any post.**

**The last date for application, as of now, is 30<sup>th</sup> September, 2020.**

**In case of more than one contestant, 'on-line ' elections as well as 'on-site' elections will take place.**

The application, duly seconded by 2 SPOSI members, should be sent to the secretary office as mail and hard copy, with a copy to the president.

- 2- As every year,we will be having scientific sessions which includes Free papers, video sessions(strabismus), Interesting case presentations,

International paper presentation, E-posters, and Best publication in an indexed journal, all in **competitive category. The abstract can be sent 'on-line' as well by email on my mail id.** I will send the link in my final letter by post. In the meantime, please gear up and prepare your presentations. An award for "outstanding strabismologist" is also in place. Applications with full CV should be sent to the secretary office, latest by 30<sup>th</sup> September. Apart from this, we will have selected didactic talks, invited sessions, and other innovative sessions.

This is a first hand information, and any further details or any change ,will be intimated, by post, as soon I have the complete information from the LOC.

Thanking you, be safe,  
Prof. yogesh shukla, Secretary.
